6.3	Orders Matching	<p>6.3.1 The matching of bids and asks are automated and will be matched on a price-time priority basis.</p> <p>6.3.2 Bids are ranked by ascending price, with the highest price prioritised at the top through the System algorithm.</p> <p>6.3.3 Asks are sorted by descending price, with the lowest price ranked at the top through the System algorithm.</p> <p>6.3.4 If bids and asks are ranked equally on price, then the System algorithm will rank the orders based on time of entry, with the earliest bid or ask ranked above subsequent bids or asks.</p> <p>6.3.5 The System will consistently exhibit the top five (5) bids and asks prices on the screen.</p> <p>6.3.6 If an order is partially matched, the unmatched portion of the order will retain its original priority ranking within the trading queue.</p>
6.4	Order Cancellation	<p>6.4.1 Participants may modify or cancel sell and buy orders through the System before they are matched.</p> <p>6.4.2 Upon cancellation of order, earmarked cash and Units will be released back to a Participant's Account.</p>
6.5	Error Trades	<p>6.5.1 An error trade occurs when a transaction is executed on the System due to errors in bid or ask entries, subsequently leading to a match.</p> <p>6.5.2 Participants encountering an error trade must promptly notify the Operator.</p> <p>6.5.3 The Operator shall review each error trade and may facilitate the trade reversal on a best-effort basis if both parties have sufficient cash and Units. The Operator's decision is final and binding.</p>

		6.5.4 For the avoidance of doubt, the Operator is not liable for any loss stemming from cancellations or trade reversal.
6.6	Off-Market Transactions	<p>6.6.1 An Off-Market Transaction is negotiated between a Buyer and a Seller outside of the System, and subsequently reporting for settlement via the System.</p> <p>6.6.2 The parties must mutually agree on the trade terms and conditions before reporting an Off-Market Transaction via the System.</p> <p>(i) The Buyer and Seller shall send their agreement to buy and sell Units via email to the Operator prior to reporting;</p> <p>(ii) Off-Market Transaction submitted in the System must comply with the instructions provided in accordance with Rule 5.05 of the BCX Rules.</p> <p>6.6.3 Instructions for Off-Market Transactions entail essential attributes such as:-</p> <p>(i) Buyer and Seller names;</p> <p>(ii) Contract type;</p> <p>(iii) Unit quantity and price;</p> <p>(iv) Vintage Year;</p> <p>(v) Project ID; and</p> <p>(vi) Project Name.</p> <p>6.6.4 As per pre-trade criteria, Buyer and Seller should deposit cash and Units to the Cash Custodian's Bank Account and Unit Custodian Scheme Account respectively.</p> <p>6.6.5 If the Seller has not fully transferred the Unit(s) quantity to the Unit Custodian Scheme Account before reporting an Off-Market Transaction, the System will not finalise the settlement.</p> <p>6.6.6 If the Buyer does not have sufficient funds available to cover the Unit(s) cost, the System will not finalise the settlement.</p> <p>6.6.7 Pending Off-Market Transactions remains valid until end-of-day and will expire when trading stops. If Continuous Trading is paused during the day, the Off-Market Transactions reporting will also be paused.</p>

		6.6.8 The Operator shall cancel pending Off-Market trade if instructions from both Participants are received to do so.
6.7	Trade Confirmation	<p>6.7.1 Upon the completion of each trade on the Market, The Operator will issue a trade confirmation to the Participant via email. This confirmation will also be accessible via the Participant's Account on the System.</p> <p>6.7.2 Participants are obliged to verify the trade confirmation details and promptly notify the Operator of any errors as soon as possible. In any event, it has to be before the start of the next trading day following the receipt of the trade confirmation.</p> <p>6.7.3 The Unit Custodian and Cash Custodian will also be furnished with trade confirmations issued by the Operator each trading day.</p>
